Wholesale Associate Sales Program may be beneficial to you as loyal customers, which means you can make money each time you sell a set of LAWNCH!

You must purchase a set at retail pricing of \$149.00 to participate in the program. This set can be used as your demo set.

After your initial purchase, you purchase Lawnch sets from us at a super discounted rate of only \$130.00 per set. You will sell for whatever price you want to sell the sets for and the remaining balance is your "commission". We offer accessories at a discounted rate as well and those would work in the same manner (see menu below).

*Lawnch board set price of \$130.00 each

*Carry Bag (with zipper) \$11.00 each

*Carry Bag (Buckles) \$21.00 each

* Liquid Lawnch Card Set \$7.00 per set

****PLEASE remember affiliates must pick up all merch from the Lawnch Lab.**
